

HEALTHIER, LONGER,  
BETTER LIVES

**AIA MULTISTAGE CANCER COVER**

# **BOOST YOUR CANCER PROTECTION WITH THE RIGHT INGREDIENTS**

**Get 100% payout for early,  
intermediate or major stage cancer.**

On average, about 600 people in Brunei Darussalam are diagnosed with cancer yearly and it accounts for more than 20% of deaths. Ministry of Health data indicate that more than 1 in 4 Bruneians will be diagnosed with cancer in his or her lifetime.<sup>#</sup>

In view of these realities, it's essential to have a plan that offers financial security and peace of mind. Moreover, cancer survivors can now look forward to normal lifespans and a good quality of life due to newer and better treatment options.<sup>^</sup> Having a lump sum payout can provide you with more access to such options as well.

In addition to eating well and living healthily, **AIA MultiStage Cancer Cover** has the right ingredients to boost your cancer protection during the crucial phase of your life to financially support you through your recovery period.

100% payout at early, intermediate or major stage cancer

20-year protection with a coverage amount of \$100K, \$150K or \$250K

Simple sign-up process with 3 questions asked and no medical check-up required

Affordable level premiums that don't go up with time

Here are the fixed premium rates for a \$100K coverage amount:

35-year-old male	\$28/month for 20 years
35-year-old female	\$52/month for 20 years

Note: Premium rates are for a non-smoker and rounded down to nearest dollar.
