Inspired by your resilient spirit

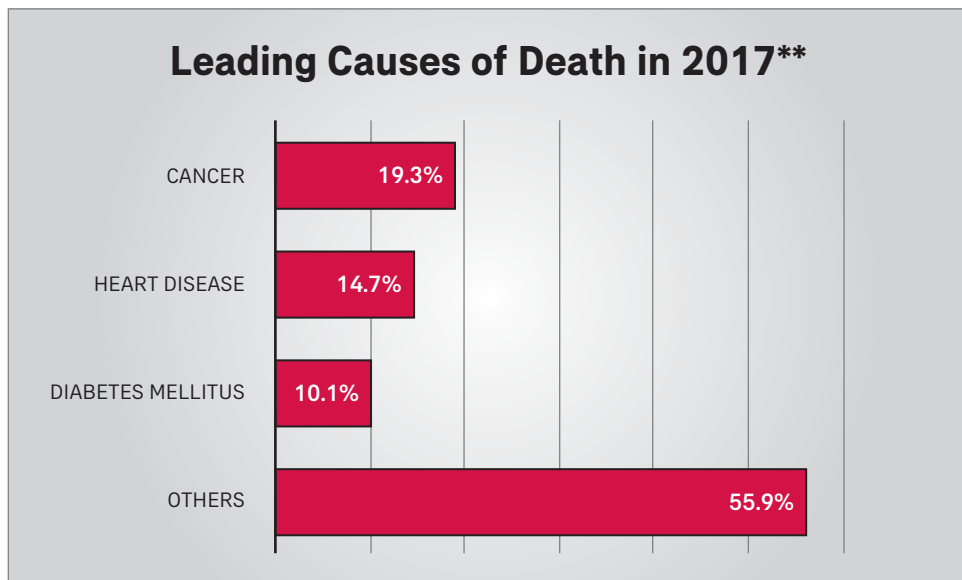

You willingly put up with the mischief your children are up to. When your loved ones fall ill or when they make demands of you, you don't give up on them, and hardly think twice about the sacrifices you would need to make.

It is this relentless spirit of love that inspired us to develop AIA Triple Critical Cover - a critical illness plan that celebrates resilience and endurance, because like you, we don't believe in giving up.

Quitting is not an option, and it doesn't have to be with the new AIA Triple Critical Cover. Now you can enjoy comprehensive coverage even in the face of multiple critical illnesses, without disrupting your coverage under the plan.

Should the unexpected occur, know that you'll have the financial support you need, so you and your family can focus on what truly matters - your recovery.

Key benefits of AIA Triple Critical Cover

Comprehensive coverage for 104 critical illness conditions

AIA Triple Critical Cover covers you for 104 critical illness conditions, through the early, intermediate, and major stages. Regardless of the severity of your condition, the plan provides constant support so you and your family experience as little financial disruption as possible while you focus on getting better.

The plan also covers you for 5 special conditions such as osteoporosis and diabetic complications, for which we will pay an additional 20% of your coverage amount, up to \$25,000 per condition.

In the unfortunate event of your death, your family will receive 100% of your coverage amount (less any critical illness claims paid) plus a \$5,000 compassionate benefit from us.

'Reset' your coverage for continual protection even after a claim

We want to provide you with the support you need when you need it most. That is why we designed the revolutionary 'Power Reset' feature, which fully restores your critical illness coverage amount back to 100% even for early stage critical illnesses, once 12 months have passed from the previous claim.

What's more, you can make multiple claims for critical illnesses at the early, intermediate, and major stages - up to 300% of your coverage amount¹, without disruption to your coverage under the plan.

You can enjoy continual coverage even after making a critical illness claim, giving you the confidence to take on any other unexpected surprises should they crop up along the way.

Get guaranteed cash value with your plan

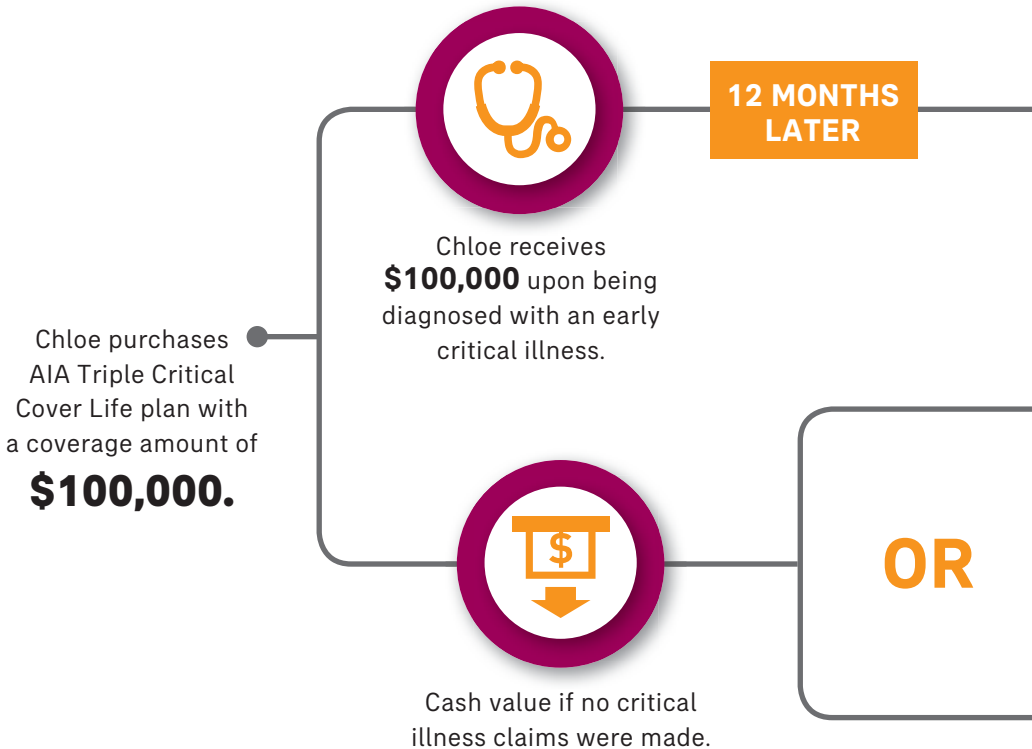

To better meet your needs, the plan comes in two options. You get to choose how long you want to be covered and if you prefer cash value² with your plan.

AIA Triple Critical Cover Value plan provides you with critical illness coverage up to age 75, while AIA Triple Critical Cover Life plan covers you up to age 100³.

Additionally, AIA Triple Critical Cover Life plan gives you extra flexibility should you wish to hold your policy until maturity (age 100) and receive 100% of your coverage amount (less any critical illness claims paid); or to discontinue your policy before maturity, and receive a guaranteed cash value of 75% of your coverage amount (less any critical illness claims paid).
